The President nominated Joseph C. Ullery eight thousand dollars. The losses were five burded States marshal for the southern hundred and forty-nine thousand five hundred and five hundred and forty-nine thousand five hundred and five hundred ired dollars. The capital deficit was complete. During these eight years Mr. John Hengh, who returns his personal estate as nothing, drew out seven hundred and eighty thousand five hundred dollars for his private uses, an average of almost one bundred the charges of corruption in connection with the sand dollars per asnum. The other two Frish-American Building and pilars in the eight years, making an him gate of nearly a million dollars orawn on of fluctuating business, and kept upuntil after 1874, when the concern was already insolvent to the amount of three hundred and ten thouhe records of bankruptcy a more startling case of dichone ty than the operation of this firm, which, after eating up its own capital commenced upon the capital of its cre and that of the City of Glasgow bank. If Enas we continually hear, these East India mer

chants ought to speedily find themselves in the pendentiary. We have dishonesty enough in our own country, and our English brethren ars not slow to remind us of it, and to comment with autometiment and even t for upon the various forms of financial vadoubt, however, whether in cu whole record of dishonesty, individus or corporate, in the overissue of atocks, fraudulent shrinkage of capita ife insurance awindles, bank embezzlements, r any other shape which fraud may take, which the English have been rolling over their tongues like a sweet morsel, anything so rascally as the operations of Heugh, Balthe commissioner of Indian affairs, under rascals have the grace either to commit suicide of the second instant, from Lumbi cide or run away, but these English swindlers Fort Hall, were captured by a mob and shot to death. The agent has procured the names of a number of the participants in the riot. The investments by lying statements of sol-
